# Fas ADVANCED 900

## MAIN FEATURES

### 7" Interface tablet

Interface enduser touchscreen customizable with logos, videos. Programming iconographic easy and fast.

### Intelligent lighting

Power LED at high efficiency with programmable energy saving function; delivery bin illuminated intermittently when product is delivered

### Fas Cloud +

Management, programming, updates, cloning and Audit functions on site or from remote via Fas Cloud+

### Double Glazed glass with high efficiency

Laminated glass with security and low emission to avoid fogging and condensation

### Typical Configurations available

Up to 3 different zone temperatures (Snack/Drink/Food); Lateral air flow to avoid build up condensation (patented)

### CO2 Cooling unit monobloc

Refrigeration unit charged with CO2 (GWP=1) with inverter board to control to speed; Fast extraction due to the Slide in - Slide out system (patented)

**Efficiency energy rating**

## TECHNICAL FEATURES

### Dimensions and finishing

|                                  |                         |
|----------------------------------|-------------------------|
| Number of trays standard/maximum | 6/7                     |
| Number of selections             | Up to 56                |
| Hieght - Width - Depth           | 1830 - 900 - 790 mm     |
| Footprint with door open         | 1660 mm                 |
| Weight                           | 265 Kg                  |
| Aesthetic finishing              | Anodized grey and black |

### Electrical data

|                              |                         |
|------------------------------|-------------------------|
| Power supply                 | 230/50-60 V/Hz          |
| Rated power                  | 450 W                   |
| Minimal internal temperature | 3°C with health control |

### Amenities

|                               |               |
|-------------------------------|---------------|
| Protocols                     | Executive/MDB |
| Digital Display Trays         | Optional      |
| Anti-theft bars               | Optional      |
| Easy Click system             | Yes           |
| Photocells product delivery   | Yes           |
| Pre-cooling compartment       | Yes           |
| WI-FI and bluetooth LE native | Yes           |
